

Dear

Since March, more than \$2.2 million in COVID-19 relief funding has been granted to 160 local nonprofit organizations. In addition, CFSA's donor advised fundholders have increased their giving by 48% this year to support the increased needs of the community. On behalf of everyone at CFSA, I'd like to offer our heartfelt thanks to each and every individual and organization who supported these efforts.

I'm proud to share with you that CFSA has been selected for the Outstanding Crisis Response in Philanthropy Award in recognition of our response to the devastating impact of COVID. This award will be presented at the 2020 National Philanthropy Day event on November 13th. Please join us for this virtual event celebrating the importance of philanthropy in creating an equitable and vibrant community for all Southern Arizonans. Details on how to register are available on our website under events.

Community Foundation for Southern Arizona's COVID-19 RESPONSE GRANTS

Dear

Thanks to your generosity, the Community Foundation for Southern Arizona has been able to lead our community's philanthropic response to support nonprofit partners during COVID-19. Together, we have granted over \$2.2 million in desperately needed funding over the last six months.

It is impossible to overstate the importance of your support. Without you, we would not have been able to make these grants. From the bottom of our hearts, thank you for your commitment to our community.

Your support has provided essential food assistance and supplies to healthcare workers, laptops so students can continue to learn and safe childcare options so frontline teachers can continue to work. Because of you, hundreds of families have not been evicted from their homes and organizations have been able to pivot to provide critical services remotely or innovate and adapt their in-person processes.

But the need is still tremendous, and our nonprofit community faces a long and difficult recovery process. Your support is essential to ensure nonprofit organizations receive the financial and technical assistance they need to rebuild, restructure, and reopen to serve community members disproportionately affected by COVID-19.

Through the generosity of several anonymous donors, all donations to our COVID-19 Community Support Fund will be matched dollar-for-dollar up to \$250,000 until the end of the year.

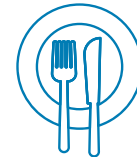

Please consider making a tax-deductible donation to support this important community response using the enclosed envelope or through our website at www.cfsaz.org/give.
